

A photograph of three people walking on a brick path in a campus setting. On the left, a woman wearing a pink headscarf and a floral-patterned cardigan over a black top and pants is smiling. In the center, a man in a light blue button-down shirt and dark jeans is looking towards the woman. On the right, another man in a light pink button-down shirt and blue jeans is looking towards the man in the center. The background shows a brick building and trees.

William & Mary MAcc Program Guide

Thank you for your interest in the specialized business programs at William & Mary's Raymond A. Mason School of Business. Our **Master of Accounting** is ideal for ambitious leaders who want to achieve their professional goals more quickly. Learn how we can fast-track your career success through a results-oriented "get in, get out, get hired" approach to education.

Nine-Month MAcc

Open New Professional Opportunities

The **Full-Time Residential MAcc** is a STEM-designated program created for accountants as well as those from non-accounting backgrounds. Our innovative and challenging curriculum is enhanced by top-ranked faculty and is informed by the professional proficiencies that employers are looking for, including accounting analytics, valuation techniques and impactful communication. You will also be prepared for the CPA examination.

You can even tailor your program to your existing skill set, goals and interests. This enables our graduates to work in areas that are more personally rewarding, such as reforming health care, solving white-collar crime and addressing environmental policy. Whether you want to rise to CFO, change careers or grow your local business, a MAcc can get you there sooner – all in an industry poised to increase by 60,000+ new accounting jobs by 2029.

"The MAcc program really is a holistic experience because the professors aren't just there to teach you, they're there to guide you and foster your interests." – Tatiana Montes '22

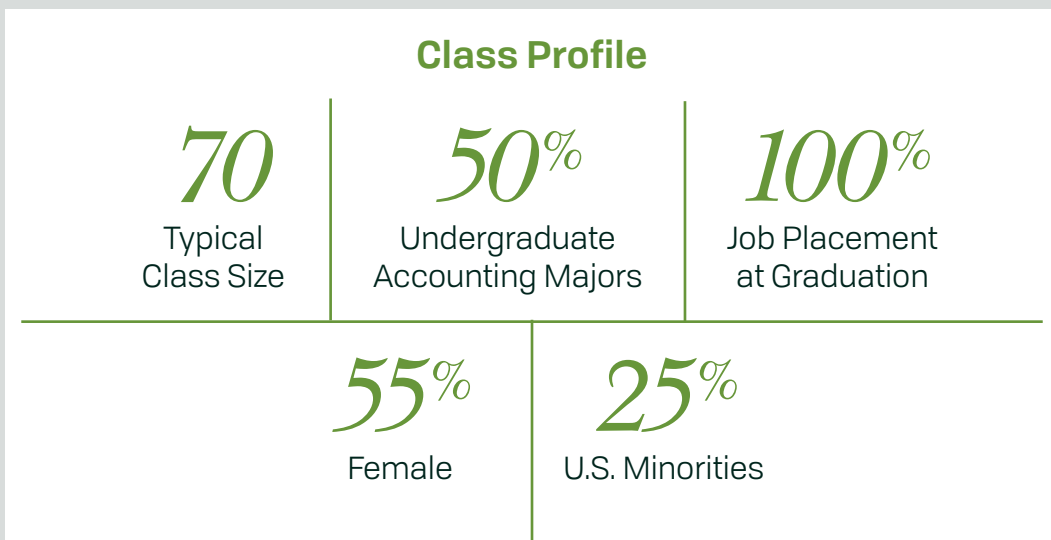

Program Structure

Two Traditional Semesters
Full-Time: 30 Credit Hours
Spring and Fall Entry Terms

Emphasis Tracks

Accounting Analytics · Auditing & Assurance · Integrated Winter Field Experience · Taxation · Valuation & Advisory Services

“Don’t feel daunted by not necessarily having an accounting or business school background. Half of my cohort didn’t have undergraduate business school experience or a degree specific to accounting. We all found success in the program and professionally after graduation.” – Francesca Peavie '20

Join a Learning Community Dedicated to Your Success

Everything you need to accomplish your goals in the business world is waiting for you at William & Mary. This includes access to **top-ranked faculty**, a network of business leaders from over 30 different industries through our alumni network, and personalized development support via our **Graduate Career Management Center**.
